

Hello friends,

As I write this, the calendar has moved forward to spring, and it's time to get on the water and use those boats. I can't wait to hang out with friends, both new and old, at Sea Harbour.

We had an excellent annual meeting on March 5th. Thanks to all who made it happen. The club is in great shape, and we all have a lot to be thankful for. We have a beautiful facility, a great management team, and a wonderful set of members.

As you can see from the minutes, there were a lot of improvements in 2015, including the new dingy racks, new pool decking and the spoil site access. Our finances are in good shape. We are on a roll.

With a new year, we have a new board. This year it is composed of the following:

David Coulter
Jeff Hardesty (Commodore)
Gordon Kellogg (Vice Commodore)
Jed Pittard
John Raxter

Feel free to contact any of the board with any concerns you have. If you need contact info you can get it from the Sea Harbour website: <http://www.seaharbour.org>.

There is an active social schedule ahead, both official and unofficial. Sea Harbour is much more than just a place to park a boat, and our social schedule is a large part of this.

We have a new social committee, led by Pat Kenyon (pat@sordill.com). Please support Pat by volunteering to help with some unofficial events. This can be as simple as emailing everyone about a potluck, or it could also be a raft up or a cruise. All we need is someone to step up and organize one.

The official schedule is:

- The next Board Meeting and work day – April 23
- Jimmy Buffet Party – June 18
- Board Meeting – July 16
- Fall Work Day, Board Meeting and Oktoberfest – October 22
- Oyster Roast – December 31
- Board Meeting – January 21, 2017
- Annual Membership and Follow up Board Meeting – March 4, 2017

You owe it to yourself not to miss the workdays! They are really fun events, they help the club, and they are a great way to connect with your fellow members and make some new friends. I always learn something.

We have a lot of new faces at Sea Harbour, which is great news. This has a way of bringing new ideas, enthusiasm and energy to the club. If you see someone you don't know, introduce yourself and help them feel welcome.

Let's get the unofficial Saturday night potlucks going again. The tradition is to just bring something to grill for yourself, BYOB and a side dish to share. If you see this going on in the lobby, jump right in. Weekend events in the lobby are open to all, and all are welcome. We have a great community, and this is a good way to keep the energy going.

Most of all, let's get out there and have some fun! I hope to see you on the water soon. I can't wait.

Regards,
Jeff Hardesty
